Summary

This document (Volume 3) includes all the appendices in support of the Preliminary Environmental Information Report (PEIR) for the proposed Immingham Eastern Ro-Ro Terminal (IERRT). The main report is included in Volume 1 of the PEIR and all of the figures supporting the main report are included in Volume 2 of the PEIR.

Contents

- 1 Introduction**
No appendix for this chapter.
- 2 Proposed Development**
No appendix for this chapter.
- 3 Details of Project Construction and Operation**
No appendix for this chapter.
- 4 Need and Alternatives**
No appendix for this chapter.
- 5 Legislative and Consenting Framework**
No appendix for this chapter.
- 6 Impact Assessment Approach**
 - 6.1 Preliminary Ecological Appraisal
- 7 Physical Processes**
 - 7.1 Numerical Model Calibration
- 8 Water and Sediment Quality**
No appendix for this chapter.
- 9 Nature Conservation and Marine Ecology**
 - 9.1 Benthic Survey
 - 9.2 Preliminary Underwater Noise Assessment
- 10 Commercial and Recreational Navigation**
 - 10.1 Preliminary Navigational Risk Assessment
- 11 Coastal Protection, Flood Defence and Drainage**
 - 11.1 Preliminary Flood Risk Assessment
- 12 Ground Conditions, including Land Quality**
 - 12.1 Phase 1 Desk Study
- 13 Air Quality**
 - 13.1 Construction Dust Assessment Methodology
- 14 Airborne Noise and Vibration**
 - 14.1 Noise Survey
- 15 Cultural Heritage and Marine Archaeology**
No appendix for this chapter.
- 16 Socio-economic Receptors**
No appendix for this chapter.
- 17 Traffic and Transport**
 - 17.1 Preliminary Transport Assessment
- 18 Land Use Planning**
No appendix for this chapter.
- 19 Climate Change**
No appendix for this chapter.
- 20 Cumulative and In-combination**
No appendix for this chapter.
- 21 Summary**
No appendix for this chapter.
