

## **PORT OF BARROW**

### **NOTICE TO MARINERS NO.35 of 2024**

#### **Navigational Hazards Under Jubilee Bridge, walney inner channel**

**NOTICE IS HEREBY GIVEN**, a Steel tubing was seen dropping into the Walney Channel below JUBILEE BRIDGE, Barrow and it has not been recovered. The date this occurred is not known.

Small Crafts are therefore requested to navigate with extreme caution in that Channel until notified hazards been cleared.

This notice to be withdrawn with information once hazards status cleared.
