Summary

This document (Volume 1) comprises the main report of the Preliminary Environmental Information Report (PEIR) for the proposed Immingham Eastern Ro-Ro Terminal (IERRT). The figures supporting the main report are included in Volume 2 of the PEIR and all of the appendices are included in Volume 3 of the PEIR.

Contents

1. Introduction
2. Proposed Development
3. Details of Project Construction and Operation
4. Need and Alternatives
5. Legislative and Consenting Framework
6. Impact Assessment Approach
7. Physical Processes
8. Water and Sediment Quality
9. Nature Conservation and Marine Ecology
10. Commercial and Recreational Navigation
11. Coastal Protection, Flood Defence and Drainage
12. Ground Conditions, including Land Quality
13. Air Quality
14. Airborne Noise and Vibration
15. Cultural Heritage and Marine Archaeology
16. Socio-economic Receptors
17. Traffic and Transport
18. Land Use Planning
19. Climate Change
20. Cumulative and In-combination
21. Summary
