

PORT OF BARROW

NOTICE TO MARINERS No.31 of 2024

Diving Operations at SMITE Sea-Water intake

NOTICE IS HEREBY GIVEN THAT:

Underwater Diving Services Ltd shall be undertaking diving operations to remove silt from the SMITE Sea-Water Pump House intakes which are located South East of the Deep Water Berth, Barrow-in-Furness.

Operations Start: 04 November 2024
Completion: circa 06 December 2024

The operations will be conducted from a dedicated diving support barge which shall be moored inshore of the marker dolphin.

We request slow transit and consideration for divers working around the marker dolphin structure.

VHF call sign: '**UDS Divers**' (ch.12).

Owners, Agents, Charterers, Fishermen and Recreational Sailing Organisations should ensure that the contents of this notice are made known to the masters or persons in charge of their vessels or craft.

PORT OF BARROW

Operational times are restricted to Ebb tidal times due to Marine Management Organisation license restrictions. License reference: L/2021/00037/1

Further information, if required, may be obtained from Barrow Port Radio on VHF Ch12. And from Underwater Diving Services:
